CAREER OBJECTIVE

Motivated Sustainable Energy Engineering student at Malawi University of Science and Technology, with a strong interest in electronics, programming, and renewable energy solutions to address challenges related to growing population and climate change. Experienced in hands-on projects using Arduino technology and web development. Committed to learning, collaboration, and contributing to sustainable innovation for community development.

PERSONAL INFORMATION

Location: Chikwawa, Malawi

Nationality: Malawian

Language: English (fluent), Chichewa (fluent)

SKILLS

- Teamwork and collaboration
- Friendly, positive attitude
- Multitasking

TECHNICAL SKILLS

- Programming and web development: Node.js, JavaScript, HTML, CSS, Express.js
- Database: MySQL, Influx DB
- Hardware: Arduino and it's components

PROJECTS

Embedded/Automation Project – Smart Home Automation

- Designed a smart home system integrating RFID-based authentication for secure access: door open automatically when authorized RFID tags are detected and close after entry
- Implemented photoresistor controlled outdoor security lights: lights turn on automatically at night and off during the day
- Demonstrated practical skills in hardware programming and integration

Web development – Music Streaming Web App

- Developed and deployed a music streaming platform
- Built responsive frontend with HTML, CSS and JavaScript
- Developed backend services using Node.js and Express.js and managed MySQL relational database

EDUCATION

BACHELOR OF ENGINEERING IN SUSTAINABLE ENERGY ENGINEERING

Malawi University of Science and Technology (MUST), Thyolo

2024 – Present

- Relevant modules: General Chemistry, Engineering Drawing, Electrical Machines and Measurements, Thermodynamics, Fluid Mechanics, Electrical and Electronic Science, Calculus, Workshop Practice, Engineering Materials
- Registered Student, Malawi Engineering Institute (MEI)

SECONDARY SCHOOL

Ngabu secondary school, Chikwawa

2022

Award & Honor

- Best student in computer studies, secondary school
- Best student in physics, secondary school

CERTIFICATION

- Certificate of Distinction, Sirius-X Energy Academy September, 2025
- Malawi school Certificate of Education (MSCE) 2022
